ABOUT THE COURSE

Anti-fraud and fraud examination (investigation) professionals around the world earn their Certified Fraud Examiner (CFE) credential by taking and passing the CFE Exam. CFEs have a unique set of skills that are not found in any other career field or discipline; they combine knowledge of complex financial transactions with an understanding of methods, law, and how to resolve allegations of fraud. Fraud examiners are also trained to understand not only how fraud occurs, but why. For more details and background to the CFE credential please visit the [global ACFE website](#).

Master the skills and knowledge you need to pass the CFE Exam by attending this CFE Exam Review Course. This instructor-led course will help you clearly understand the concepts tested on the CFE Exam – Investigation, Law, Financial Transactions & Fraud Schemes and Fraud Prevention & Deterrence. This course, in combination with the CFE Exam Prep Course software, will provide you with the best combination for passing the exam.

As a CFE Exam Review Course attendee, you will have the option to apply to take the CFE Exam onsite as part of the four days of training. It is highly recommended you take advantage of this while the knowledge is fresh in your mind. After you have registered and paid for this course, the ACFE will contact you via email to explain the exam application process should you wish to take up this opportunity
