### About the course

Anti-fraud and fraud examination (investigation) professionals around the world earn their Certified Fraud Examiner (CFE) credential by taking and passing the CFE Exam. CFEs have a unique set of skills that are not found in any other career field or discipline; they combine knowledge of complex financial transactions with an understanding of methods, law, and how to resolve allegations of fraud. Fraud examiners are also trained to understand not only how fraud occurs, but why. For more details and background to the CFE credential please visit the [global ACFE website](#).

Master the skills and knowledge you need to pass the CFE Exam by attending this CFE Exam Review Course. This instructor-led course will help you clearly understand the concepts tested on the CFE Exam – Investigation, Law, Financial Transactions & Fraud Schemes and Fraud Prevention & Deterrence. This course, in combination with the CFE Exam Prep Course software, will provide you with the best combination for passing the exam.

As a CFE Exam Review Course attendee, you will have the option to apply to take the CFE Exam onsite as part of the four days of training. It is highly recommended you take advantage of this while the knowledge is fresh in your mind. After you have registered and paid for this course, the ACFE will contact you via email to explain the exam application process should you wish to take up this opportunity.

## Your trainers

**Roger Darvall-Stevens** is the National Head of Fraud & Forensic Services, Australia, at RSM and has over 25 years' experience in forensic investigations and forensic accounting, fraud, bribery & corruption control, and corporate security. Roger is a licensed investigator in multiple locations, and his qualifications include a MBA and MA (Criminology). He initially commenced his career in the police force leaving as a detective after 12 years, and has experience since in the private sector and professional services as a forensics partner in a 'Big 4' firm. He is a regular presenter at international and local conferences and seminars, and has authored a number of articles and publications. Roger is a Certified Fraud Examiner (CFE), the President of the ACFE Melbourne Chapter and a Regent Emeritus. He served on the global ACFE Board from 2012 to 2013.

**Adeline Shelley** is a Certified Fraud Examiner (CFE), Chartered Accountant (of the CAANZ and ICAEW) and a licensed investigator, with a strong forensic accounting, anti-fraud and investigative background in both the private and public sectors. Adeline has over 15 years' forensic experience, in Australia as well as overseas. She spent ten years at the Metropolitan Police at New Scotland Yard in London as one of only two Forensic Accountants, where she worked on a mixture of criminal and civil matters including fraud, drug trafficking, human trafficking, money laundering and funds/asset-tracing and the recovery of criminal proceeds. Adeline has an excellent track record of uncovering financial information from incomplete, complex and corrupted records. Her expert evidence in the Crown Court in England has led to the successful pursuit of many high-profile and politically-sensitive cases of fraud, and other criminal and civil offences.
